AJOU UNIVERSITY in TASHKENT

Admission Guidelines for the
 2022-2023 Academic year

AUT

Why
 AUT?

Introduction of AUT

AUT was established in spring, 2021 to nurture highly qualified personnel in accordance with the prospects for socio-economic development of Uzbekistan by the agreement between the Ministry of Higher and Secondary Specialized Education, Republic of Uzbekistan, and Ajou University, the Republic of Korea, based on the Decree of the President of the Republic of Uzbekistan No. PP4041, November 30th, 2018. AUT has 3 departments: Architecture, Civil Systems Engineering, and Computer & Electrical Engineering, and provides 4-year daytime undergraduate courses, which are taught exclusively in English.

Ajou University is a leading research university, especially in engineering, in Korea and has been ranked 11th among 200 four-year Korean universities consecutively for 4 years from 2018 to 2021 by the Joong-Ang Daily Newspaper, the most prestigious university ranking organization in Korea. At the same time, Ajou University is also ranked 531st in the QS World University Ranking (only a few universities are within QS World Ranking 1000 in Uzbekistan).

Ajou University, established in 1973, under the motto of "Asia's Best University for the 21st century", is located in Suwon city, about 30 km south of Seoul, where the headquarter of Samsung Electronics is only 4 km away. Ajou University has around 14,000 students (10,000 undergraduates, 4,000 graduates in 11 colleges and 14 graduate schools). The strength in Ajou's academic programs and research lies in Engineering, IT, Medical Science, Business, and International Studies.

Ajou University offers various international programs to attract many international students around the world. Currently, Ajou has more than 320 partnership universities in 70 countries, invites approximately 1,200 international students every semester, and makes the campus truly global.

Why you should choose AUT

- Korean International Diploma:**
Our graduates will be awarded an internationally recognized regular Korean bachelor's degree from the top 531 World Ranked University.
- Excellent Education System:**
Education quality at AUT is comparable with Ajou University in Korea. Opportunities given to the best AUT students to transfer to Ajou University in Korea. Access to Ajou's master and Ph.D. programs.
- Excellent Career Opportunities:**
Global competitiveness in key engineering areas (Architecture, Civil Systems Engineering - including Aerial Special Program, and Electrical & Computer Engineering - including Cyber Security) is critical for the Uzbekistan's economic growth. AUT collaborates with the leading Uzbekistan state and private companies/institutions.
